

BEAUTY IN TRADITION

The Hanbok Fashion Show, organised by the Consulate General of the Republic of Korea turned out to be a grand affair as socialites, diplomats and their families turned up in the traditional Korean attire. In a way, the night became a cross-cultural experience for many as saree met *hanbok*. The Consul General Kyungsoo Kim was seen with his wife Chungmee Kim, both wearing the traditional attire. Deuk Kyung was a picture of prettiness in her red and brown silk *hanbok*, while JJ Han walked the ramp in full traditional splendour. Sukhee, Hyeran Kim and Rathi Jaffer were also seen at the do.
