The Hindu EXPERIMENTING WITH GENRES: Yu Kyung-hwa. Photo: Special Arrangement Related TOPICS arts, culture and entertainment music arts, culture and entertainment Korean musician Yu Kyung-hwa speaks about her musical journey across cultures. Yu Kyung-hwa's mother wanted her to learn dance, and enrolled her in classes at the age of four. "So that I could marry into a wealthy family, and for that, traditional Korean music, which is what I wanted to study, just wouldn't help," the music... [Full Article at The Hindu](#) »
